V. Project Manager Report – Judy Sizensky

A. Channel Status, Procedure for Future Dredging

Ms. Sizensky provided an update noting:

• The Vanderbilt Waterway MSTU is allowed to partner with Coastal Zone Management to maintain the waterway from the Vanderbilt Channel bridge north to Wiggins Pass (the marked channel) when the County dredges Wiggins Pass.

- This activity provides cost savings to the MSTU for maintaining their portion of the waterways.
- The Vanderbilt Beach canals are not within the scope of the MSTU's responsibility.
- The "Wiggins Pass 11/14/2022 *Soundings in MLLW (Mean Lower Low Water)" survey measured the channel depth to confirm the 2020 "After Dredge Survey" Mean Low Tide depth of about 6.5 feet still exists.
- The dredging projects undertaken by the MSTU in Vanderbilt Channel and Water Turkey Bay require permits from the Florida Department of Environmental Protection.
- Certified engineering survey(s) are required for the permit applications and funds are available in the MSTU budget for the activity.

Comments

Chair Cuny will:

- Request that the Estuary Conservation Association (ECA) perform a complimentary survey of the bottom of the channel.
- Notify Ms. Sizensky of the survey schedule and the report on the findings on completion.
- Request an MSTU meeting be convened if warranted due to the results of the survey.

B. Discuss Scheduling the Sea Grass Survey and Estuary Survey.

Chair Cluny reported:

- Ms. Sizensky, Alan Ritchie, Chair ECA and he met with Andy Miller, Coastal Zone Management (CZM), and his team.
- Mr. Miller noted that the division plans to perform a sea grass survey prior to any dredging being performed.
- The timing of the survey is unknown.

Mr. Wells joined the meeting at 11:17 A.M.

C. Budget Report

<u>Vanderbilt Waterway MSTU Fund Budget 1635 dated March 26, 2024, prepared March 5, 2024</u> **Ms. Sizensky** provided an overview of the budget highlighting:

- f. Tax millage collected, and interest accumulated by the Vanderbilt Waterway MSTU may only be utilized by the MSTU and within the MSTU district boundary.

Ms. Sizensky noted:

- Ad Valorem tax dollars allocated to the MSTU budget increased 5.5% for FY-24.
- The Budget must identify the Other Contractual item as an Operating Expense for a Purchase Order to be issued. This enables solicitation of quotes and award of contracts.

Ms. Sizensky will:

- Contact Andy Miller, Coastal Zone Management, to determine if a plan to perform Sea Grass maintenance and dredging of Wiggins Pass is on the County's schedule.
- Determine if an open permit is on file for future dredging projects in the Vanderbilt Channel and Water Turkey Bay.
- Verify with the County Appraiser to ascertain if The Ritz Carlton Residences (Stock Development) will be included in the Vanderbilt Waterway MSTU Ad Valorem tax assessment and contribute to millage collected.
