#### IV. APPROVAL OF MINUTES

Mr. Weber moved to approve the minutes of the September 2, 2021, Vanderbilt Beach M.S.T.U. meeting as presented. Second by Ms. Miyamoto. Carried unanimously 4 - 0.

## V. LANDSCAPE MAINTENANCE REPORT – Aaron Gross, Ground Zero Landscaping

Mr. Gross reported:

- Landscaping is in good condition.
- Irrigation repairs are constant.
- Fertilizer will be applied the end of the month.

#### The Committee noted:

- Vehicular parking is damaging grass in the Right of Way (ROW) strip.
- Long-term, the strip should be landscaped to deter vehicle parking.

#### VI. PROJECT MANAGER REPORT - Harry Sells

#### A. Budget Report for 10/7/2021

#### Mr. Sells reported:

- FY-22 Ad Valorem property tax revenue budget is \$1,488,600.00, an increase of 3%.
- The Millage Rate remains constant at 0.5000.
- Total revenue FY-22 of \$6,302,195.90 includes investment interest, transfers, and contributions.
- Transfers and Contributions, Line 13, in the amount of \$4,791,595.90, is a carry-over generated from 2021(minus a 5% reserve of \$75,600).
- Operating Expense Budget is \$5,669,095.90 of which \$2,565,995.90 is committed.
- Unencumbered Operating Expense funds available are \$3,103,100.00.
- The MasTec North America contract for burial of conduit and placing of equipment for Florida Power & Light, Comcast cable and Century Link for Phase IV is \$1,765,869.40.
- Purchase Order for Century Link (engineering design) in the amount of \$8,000.00 applies to Utility Conversion Phase IV.
- Stantec's Purchase Order for \$254,454.25 covers construction, engineering, inspection, and easement survey services for Phase IV.
- Capital Contractors Purchase Order in the amount of \$247,825.35 is for sidewalk paver installation
- The MasTec North America contract for burial of conduit and placing of equipment for Florida Power & Light, Comcast cable and Century Link for Phase IV is \$1,765,869.40.
- Florida, Power & Light Purchase Order in the amount of \$162,359.00, covers purchase of materials for Phase IV construction.
- Hannula Landscaping Purchase Order for \$127,264.90 funds landscaping and irrigation installation for the refurbishment of Conner Park.
- Purchase Orders in red indicate they have been closed out and the money expended.
- Improvements General/Capital Outlay budget, Line 37, is \$500,000.00.
- Transfers to 111, Line 39, are for Staff salaries.
- Budget Transfers from Appraiser and Tax Collector, Lines 40 and 41, are facilitated by other appropriate County entities.
- Total Budget Available Balance as of October 7, 2021, is \$3,736,200.00.

Available funds are sufficient to complete Phase IV construction, sidewalk paver installation, Conner Park refurbishment and the landscape project by Regatta of Naples at Vanderbilt Beach Road and Vanderbilt Drive.

#### **B.** Phase IV Utility Burial Status

#### Mr. Sells reported:

- Phase IV construction started October 1, 2021.
- Drilling commenced and one small section of conduit is installed in the ground.
- A second section of conduit burial terminating just south of the Dune of Naples entrance will be completed within a week.
- A vault will be buried week ending October 15, 2021, in location of terminated conduit; cable will be pulled through the conduit.
- The estimated period for completion is nine (9) months. Anticipated activation date will be early 2022.

- Stantec's on site management will be ongoing until FPL removes the utility poles.
- The MSTU will install pavers and benches at The Dunes of Naples and The Anchorage post construction.

#### Easements

The Anchorage of Naples Condominium Association, Inc. submitted a letter, via email, dated September 30, 2021, to Mr. Sells, MSTU Project Manager, stating The Anchorage would not provide any easements to the MSTU, FPL and/or any other entity in connection with the Vanderbilt Utility Burial Phase IV Project. The document further stated their intent to rescind or terminate the right of entry document previously provided.

#### Action

**Mr. Sells** worked with The Anchorage Board Members to resolve the Associations objections to the installation of Vista boxes on their property. He noted:

- Two (2) Vista Underground Distribution Switches are required for the Vanderbilt Utility Burial Phase IV Project completion to the north end.
- Property south of The Anchorage is wetlands and, hence, not an option for Vista switch box installation. An alternate location to place the switches is not feasible.
- Mr. Sells and Mr. Catanese walked the complex and identified a less intrusive location to install the boxes.
- A decision to grant the MSTU permission to install the boxes in easements at The Anchorage is required within two weeks.
- Phase IV construction will stop just north of The Dunes of Naples or south of The Anchorage if the easements are not granted.

Mr. Catanese reported The Anchorage of Naples Condominium Association, Inc. has tentatively agreed to permit easements to the MSTU and FPL.

Mr. Sells will follow up with The Anchorage on easement status.

## C. Conner Park Beautification Status and Discussion - Schedule Landscaping and Irrigation

- The Committee approved the landscape contract for Conner Park in the amount of \$130,677.50 on June 28, 2021.
- The filter system for irrigation was supplied by MSTU Staff. Drip irrigation is the primary source.
- Installation of the irrigation system is complete; "heads" and connectors must be installed.
- The contractor will re-grade the area prior to plant material installation.
- Tree, shrub and other plant material installation will commence week ending October 15, 2021.
- Estimated completion date for the refurbishment project is November 1, 2021.

#### Sidewalk Pavers – Vanderbilt Drive and Bluebill Avenue

Capital Contractors will install pavers in color consistent with crosswalks, and ADA
compliant transition strips, on the Vanderbilt Drive and Bluebill Avenue intersections
upon completion of sidewalk and curbing work.

- Engineering of sidewalk is required to ensure proper drainage and adequate elevations for future modifications.
- A Right of Way (ROW) permit is required for paver installation.
- Receipt of paver material is anticipated the end of November 2021.
- Estimated paver installation time is one (1) month from receipt of material.

#### Fence on South Side and Landscaping

- The Parks and Recreation Department removed invasive species from the area.
- Ground Zero Landscaping planted slow growing shrubs on the hill side behind the Clusia hedge to prevent erosion and improve aesthetics.
- Heavy vine growth, detrimental to the Mangroves and Sea Grapes, was cut back.
- The Clusia hedge will be maintained at a height of ten (10) feet.

The Parks and Recreation Department does not support extension of the fence or additional landscaping of the area.

#### D. NW Corner VBR & VB Drive

The final design by McGee & Associates for the intersection of the northwest corner of Vanderbilt Beach Road and Vanderbilt Drive has been approved by the Committee and Representatives of the Regatta.

- The project will be reviewed with the Road Maintenance Division to confirm drainage is adequate.
- Material shortages may impact the lead time for receipt of sidewalk pavers.

*Mr. Sells* will prepare a Scope of Work, obtain County approvals and Right of Way (ROW) permits and request quotes for the landscape project.

#### E. CMA #5411 – Hybrid Remote Meetings

The document "CMA #5411, Hybrid Remote Public Meetings" was provided to members for an opportunity to review the requirements for hybrid remote public meetings that may be conducted to facilitate the telephonic or remote participation of members of boards, committees, agencies, staff, consultants, and the public. The meeting utilizes both in-person and remote participation via communications media technology.

#### Instruction for Conducting a Hybrid Remote Public Meeting includes:

- Authorization of the County Manager or their designee.
- A hybrid remote public meeting notice providing all information required by law for an in-person public meeting.
- An opportunity for remote public comment.
- If a quorum is physically present, the participation of an absent member by communications media technology is permissible when such absence is due to extraordinary circumstances.

#### VII. OLD BUSINESS

#### A. Potential Future Projects

Future improvements to the Vanderbilt Beach M.S.T.U. for consideration include:

#### 1. Extend Fence on South Side of Conner Park

The Parks and Recreation Department, the entity with jurisdiction over the area, recommends the MSTU. does not extend the fence on the south side of Conner Park. *This project will be removed from the Potential Future Projects List.* 

#### 2. Refurbishment of Vanderbilt Drive Landscape

McGee & Associates, Landscape Architects, will create a conceptual landscape design for Vanderbilt Drive. Area residents will be consulted, and the Committee will review and approve the final design proposal.

#### 3. Refurbish Bridge of Channel on Bluebill

The Committee suggested cleaning the waterway bridge and researching installation of a veneer stone.

The Road Maintenance Division has not provided an update to the July 16,2021 meeting with Ms. Arnold and Mr. Sells, during which they accepted responsibility for bridge maintenance.

#### 4. Sidewalks East and West Side of Gulf Shore Drive

The Road Maintenance Division is considering sidewalk installation on the east side of Gulf Shore Drive for 2025. Design and fund allocation are required; sidewalks must conform to County code and be ADA compliant. A bike path would be incorporated into the project design. Drainage would have to be redesigned to accommodate the installation. The project timeline depends on coordination with Road Maintenance.

Ms. Arnold and Mr. Sells met with the Road Maintenance Division on July 16, 2021, to review project criteria and convey MSTU's willingness to contribute up to two million dollars (\$2,000,000.00) to the project. The Committee will be updated at a future meeting on the progress of this major project.

#### Sidewalks

Sidewalk maintenance in the Right of Way on Gulf Shore Drive and Vanderbilt Drive is the responsibility of the homeowner. Residents should call 311 to report sidewalk condition and/or safety concerns.

# 5. Lighted Street Name Signs at Intersections Along Gulf Shore and Vanderbilt Drives The project is on hold, pending development of technology to provide attractive, small scale LED Solar lighting.

## 6. Install Radar Speed signs along west side of Vanderbilt Drive and Gulf Shore, total of four (4).

Traffic Ops installed two (2) signs on the north end of Gulf Shore Drive for sixty (60) days. This item will be removed from the Future Project List.

#### VIII. NEW BUSINESS

#### A. Committee Member Application

The Committee discussed Mark Weber's application for the open position on the M.S.T.U. effective from November 14, 2021, to November 13, 2025, noting the significant contribution he has made to the Committee and his willingness to be reappointed.

Mr. Harris motioned to recommend the Board of County Commissioners reappoint Mark Weber to the Vanderbilt Beach M.S.T.U. Advisory Committee for a four-year term commencing November 14, 2021. Second by Ms. Miyamoto. Carried unanimously 4 - 0.

## Potential Future Project for Discussion As of November 4, 2021

#### 1. Refurbishment of Vanderbilt Drive Landscape

A landscape design for Vanderbilt Drive will be submitted for Committee consideration upon completion of Conner Park refurbishment.

#### 2. Refurbish bridge of channel on Bluebill

The Committee suggested cleaning the waterway bridge and/or researching application of a veneer stone.

PM met with Director Road Maintenance July 16 and received somewhat positive feedback.

#### 3. Install Sidewalks east and west side of Gulf Shore Drive

The Road Maintenance Division is considering sidewalk installation on the east side of Gulf Shore Drive for 2025. Design and fund allocation are required; sidewalks must conform to County code and be ADA compliant. A bike path should be incorporated into the project design. Drainage would have to be redesigned to accommodate the installation. Project timeline depends on coordination with Road Maintenance and many issues which were discussed July 16.

#### 4. Lighted street name signs at intersections along Gulf Shore Drive and Vanderbilt Drive

The project is on hold, pending development of technology to provide attractive, small scale LED Solar lighting

Under review. Most lighted street signs are not attractive.
